re: Parking Policies

My apologies for not being present at the meeting but I have other obligations that prevent my attendance. I do want you to know what our present policies are regarding our parking. We have entered into a contract with B&M Towing to tow all unauthorized vehicles off of our parking area. During the daylight hours we call them with specific requests and after 10 p.m. they are authorized to tow any vehicle without an AMUMC parking sticker. Will McCollum, our Facilities Manager, is the contact person for all parking policies. We have also sent letters to each Northgate merchant explaining our construction plans and informing them that they will need to make new arrangements for parking. We have suggested they get with the city and explore leasing space in the new city garage. A copy of that letter was sent to the City Manager. If you have any further questions regarding our parking policies I would suggest you get in touch with Mr. McCollum. Thank you for working with us in this matter.

Sincerely,

A handwritten signature in black ink, which appears to read "Jerry Neff".
